Information About Booking Your Wedding Photography

- A non-refundable deposit of \$200 is required to reserve your wedding date and to schedule your photographer. We require the balance to be paid on or before the wedding date.
- There is a \$50 charge per additional location which includes up to 1/2 hour of coverage – (church, wedding breakfast, temple, etc.) Additional time will be billed at \$50 per 1/2 hour.
- If your wedding is to be split between different days, there will be an additional charge of \$100. Please schedule in advance.
- Please provide us with an undisturbed working area for your important Wedding Day images. Many good wedding photographs have been ruined by well meaning photographers working at our sides.
- If your wedding requires our photographers to travel, please make arrangements when booking your wedding.

All of your images are automatically loaded to our website at no charge. Access to these images is limited to a 2 month viewing period. Once the two month period has expired, the images can be reloaded to our site for \$50.00. They will be viewable for an additional 2 months.

Why Choose Superior?

Superior Selection We will personally consult with you to customize the perfect wedding package to suit your individual taste and budget. Whatever you desire, traditional, artistic and creative, black and white, indoors and out, we can accommodate your needs.

Superior Service On your Wedding Day, you can expect thorough attention to every important detail. As we create both formal portraits and unique candids, our goal is to keep everyone smiling. Simply put, we want you to enjoy your wedding photography experience.

Superior Quality We digitally retouch all prints and enlargements which ensures premium quality with prompt turnaround. You will generally receive your proof disks within two weeks of your wedding date.

From the bridal sitting to the bouquet toss, you
can expect creative, elegant images that will
preserve your treasured moments for years to
come.
